Coco's Corner

I've had a busy week meeting new friends this week. I've spent time with Josh and Liam, and Callum brought me some cardboard tubes to chew on which I loved!

I also enjoyed a morning out at Stanley Park with the Sixth Form students who let me chase leaves and bark at the big lions!

Upper Primary

As the oldest members of Upper Primary, 2H have been discussing the PCA 'Golden Rules' and thinking about how they can be role models to the younger pupils. They have created a 'Garden of Good Manners' made up of ways to get it right, and when another adult praises them for doing so they go on the flower and get a prize!

Lower Primary

1R enjoyed their first Art lesson this week! The children had a great time exploring paint by mixing colours and creating different marks.

They are looking forward to sharing their masterpieces with their families throughout the year.

Katreece added "my favourite character was Pinocchio".

Year 6 pupils and 3GR were treated to backstage passes after the show and had chance to ask the cast about the performance.
