**Sun Notice to Parents** - Now we are lucky enough to be experiencing some nice weather, please can we remind you of the importance of protecting your child from the harmful rays of the sun.

On a warm day, please can you put a **high factor sun cream** on your child before they come to school. This cream may also be sent in for them to use throughout the day. If you decide to do this please ensure the bottle is clearly labelled with your child's full name.

Please can you send your child into school with a **sun hat** for them to wear when outside, once again please make sure that this has their name in. (The school provides sun hats for the youngest children in classes 1R and 1H).

**Remember - the rays from the sun can still burn our skin on cloudy days too!**
