Year 9 York Residential

25 Year 9 pupils waved a fond farewell to their families at Blackpool train station on Wednesday morning for their Humanities residential visit to York. New experiences have been had by all, including travelling by train, visiting museums & local attractions,

learning to take responsibility for their own personal belongings & hygiene, and last but not least negotiating traffic & moving safely around a busy city. The pupils have spent time socialising with their peers and demonstrated appropriate social skills when out and about with the general public. We are really proud of how mature our Year 9's have been and a **BIG** thank you to all the staff who have worked so hard to ensure they have had a fabulous time!
