Year 11 Leavers

Year 11 have been celebrating their Leavers Week with some fantastic activities. They started off the week attending their prom at The Savoy hotel on Monday, got to experience their Sixth Form and College days on Tuesday, had a fantastic day Wednesday at the Zoo or Grasmere, and have thoroughly enjoyed their leavers meal on Thursday at Mr

Basrai's. This was then topped off with a fabulous Leavers Assembly today.

We wish all of our Year 11 leavers good luck for their future.

Upper Primary

2B have been designing their own flowery wallpaper in Art. They used chalks, crayons & pastels and used different techniques to create shading on their artwork.

The children were only allowed to choose 2 or 3 colours for their wallpaper designs but needed to use the techniques learnt to create different shades of the same colour.

Lower Primary

1H have been working hard in Maths on creating quantities. The pupils have been learning to count out the correct number of objects; the challenge was to find the cup

with a given number then put the correct number of cubes into the cup. They then swapped cups with a friend who checked if they had counted correctly.

Great counting 1H!

Key Stage 3

This week, 3SL went to Blackpool Zoo to use their map reading skills. The pupils had to navigate around the park to find different animals. This caused some great discussion about which way they should go on the map. It was also wonderful to see the animals when they got there. Some of 3SL realised they could also use the direction signs, which was brilliant!
