Enterprise Marketplace

As part of our Business Enterprise curriculum, each class has been given £30 to create and market their very own product. These will be available for you to buy at our annual Enterprise Marketplace on **Tuesday 12th February, 10.15-11.15am**. You should have already received a leaflet telling you all about the amazing products on sale. Please come along to support this event. Each class has worked really hard and competition is high with the class raising the most money winning a class meal out!

Feel free to send money in with your child to take advantage of the fantastic products available to buy. All profits will go to the Friends of Park Community Academy Trust. **It's an event you don't want to miss!!!!**

Lower Primary

This week 1R have been busy preparing for the Enterprise Marketplace. They have been melting chocolate to make hot chocolate stirrers and writing letters to local businesses asking for donations for their raffle. The children have also created bright and colourful posters to advertise their products. They have worked so hard and are looking forward to the Enterprise Marketplace next week. We can't wait to see you all!

As part of the Romans topic, 2C have been learning about the story of Romulus and Remus. The children used pictures to order the story and they retold it in their own words. They then acted it out and thought

about how the characters would be feeling throughout the story. The pupils then became authors as they wrote the story in their own words and designed front covers for their books.
